**LET US GET RID OF OUR CHRISTMAS  
GAINED KILOS!  
WITH A WALK ABOVE MURI**

An easy flat walk of about 1 ½ hours on the beautiful plateau above Muri. The view is spectacular into the Alps and the Jura. Especially if we are above the “Nebelgrenze”! The meeting is scheduled on purpose at 12 o’clock! If there is fog, there will be lots of walkers enjoying the sun above it! Drive to Muri. At the first roundabout (Coop in front of you) turn right and follow the signs towards Geltwil and then towards Hämikon Berg. (Approx. 15 minutes.)

There is quite a big parking lot opposite the Gasthaus Hämikerberg. Try to drive together in less cars.

From there, we will walk over the plateau which also features a rather

large cross-country skiing area if snowed in.

After coming back, we can enjoy a drink and snack at the

Gasthaus Hämikerberg.

## **A trip through India**

Rest. Hirschen, Kirchdorf -  
Cheminée Raum

In March 2011, I spent some weeks in India and, together with my friend Quamaruddin, we visited Hyderabad – Bangalore – Mysore – Kolkata – Bhadoi. Most of these towns are not visited by everyday tourists, which is a shame. There is much to see and the history of those towns is

immense. Have you ever heard of Tipu Sultan the “Tiger of Mysore”?

I am not a historian but walking through these old towns gives an idea of the past.

The talk will last about an hour.

NB. We can use the Cheminee Room of the Rest. Hirschen free of charge. To show our gratitude, we will have a meal there starting at 18.00h. Please feel free to join us and phone 056 241 13 56 (Penny or Hans) which enables us to reserve a table.
